RAMBO**

A professional boxer competing in the super-middleweight division. My journey in boxing began at the age of 14 when I joined Beartown Boxing Gym in Congleton, Cheshire. I quickly made history as their first-ever national champion and went on to represent both England and Team GB on the international stage.

As a former Team GB boxer, I have achieved significant success, including:

ABA National Youth Champion

ABA Senior Elite Middleweight Champion – following in the footsteps of previous Middleweight winners Alan Minter, John Conteh, Herol Graham, Nigel Benn, Joe Calzaghe, Carl Froch and George Groves.

2x English Champion

2x Tri-Nation Champion

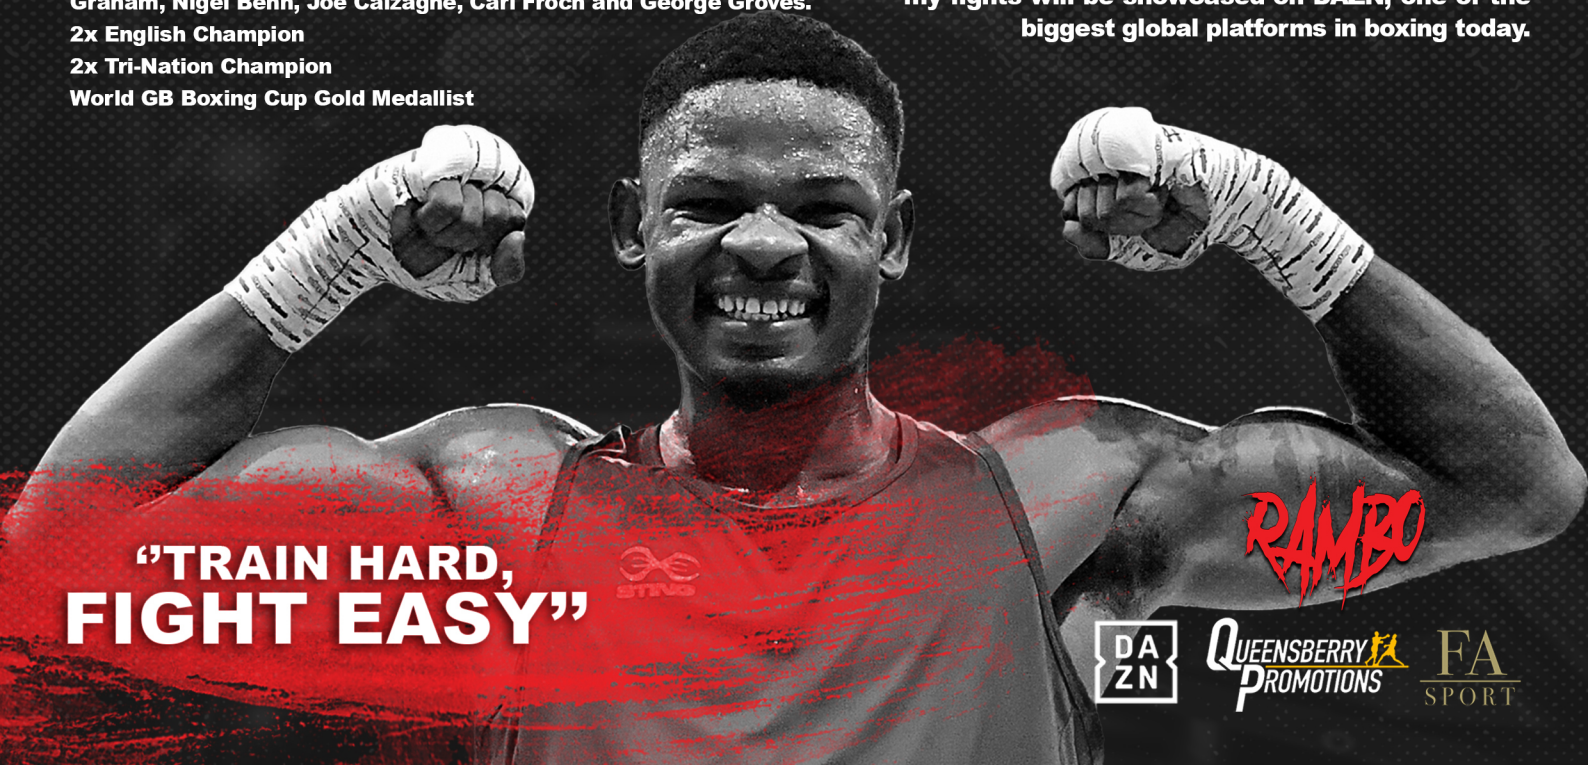

World GB Boxing Cup Gold Medallist

## LOOKING AHEAD

With an amateur record of 107 fights (81 wins, 26 losses), I have built a strong foundation for my professional career. Now, I am making the transition to the pro ranks under the guidance of world-renowned and EBA hall of fame trainer **Tony Sims** and assistant **John Ryder** at the prestigious **Matchroom Boxing Gym**. Tony has guided multiple boxers through to British, European and world title successes over a number of years. Having signed a multi-year professional deal with **Queensberry Promotions (Frank Warren Promotions)**, ensuring my fights will be showcased on **DAZN**, one of the biggest global platforms in boxing today.
